

FALL 2015 NEWSLETTER

PO Box 183164, Shelby Township, MI 48318

Hello to all of our dedicated members and supporters!

Here we are again at the end of another summer, and we are SO grateful to those of you who make it possible for us have enough funding to care for the cats in the Sanctuary. Because we believe in transparency to our donors, please take a look at our 2014 Financial Report on page 3.

Our June 7th Open House was a big success, and my thanks go out not only to those who attended, purchased items, and made donations, but also to the many CTAS Board Members, Advisory Board Members, and Regular Members who helped make it possible. A few of our regular cleaning volunteers are having serious medical issues so we had to seek a few new volunteers to help with this important job, so special thanks to April Soule and Amy Anthony. I also want to express my gratitude to Al and Donna Bunnell who built and donated to us at no cost the incredible insulated outdoor cat houses, the wildlife-proof cat feeding station, and new wood display box for our handmade greeting cards.

CTAS CLEANING VOLUNTEER APRIL SOULE TOOK A BREAK TO CUDDLE WITH OUR SASHA.

I hope you enjoy looking at the photos we put on page 2 for your review, and that you'll join us next year. We were so happy to see so many new faces this year....esp. the folks who are working on building a cat sanctuary in South Lyon in 2016. We plan to give them as much assistance and advice as we can as we NEED more sanctuaries.

I'd like to conclude by reminding folks that each and every day we get all sorts of inquires for help or advice relating to cats and not just ferals. We do our best to help everyone, but our Secretary Eileen works hard to persuade people to NOT give up their cats when we can educate them that this may not be necessary. To that end, take a look at this letter we received after she helped one such family:

"Thank you for getting back to me and reminding me how Luther came to us and how much he is a part of our family. We have decided to bring him with us to Florida. I guess I waited so long to contact anyone about him because I knew in my heart that I really couldn't give him up. I just had to make sure my husband was on board with the decision. And, I would never abandon him. Someone already did that and I could tell how much he needed love and affection, that's why we gave him a place to call "home". Our new house, in Florida does have a pool with a really large paver patio space all around it inside a screened cage so I think all the animals will be safe there. I am taking your advice to make him an indoor kitty. We will also be traveling in our motor coach 3 months of the year so we have to prepare him for that and your advice was just what we needed. I appreciate all your insights, Eileen, and will make a generous donation to the Sanctuary as you are all doing a wonderful service for our "Purring" friends!

Many thanks! Lori

**THANKS FOR ALL YOUR SUPPORT,
LISA KOESTER, President & Founder**

SCENES FROM CAT TAIL ACRES SANCTUARY'S 3rd ANNUAL OPEN HOUSE ON JUNE 7, 2015

Despite warnings of rains or even storms, we had a beautiful day and well over 100 people enjoyed themselves. The more skittish ferals kept to themselves on the porch, but everyone had a chance to see how well cared for and contented our cats are in their "home". We also managed to adopt out one of our friendly cats even though she is older. We raised a good deal of money by selling our t-shirts, tote bags, hand-made cards, insulated outdoor cat houses, and wild animal-proof elevated outdoor cat feeding stations, as well as other animal-related items. We still have many left to sell so check them out on page 3 of this newsletter. Many people simply gave generous donations. We are grateful to EVERYONE who made the long trip out to visit us and who showed their support. We hope you will consider joining us next year June 2016.

CTAS Board member Elaine Savage donated the cost of our awesome shopping totebags.

Is this a car show or an open house!

Former State Veterinarian, Steve Halstead, confers with new MI Humane Society CEO Matthew Pepper and MHS COO David Williams.

Most of the cats just did what they always do and ignored all the people touring!

SOME USEFUL ITEMS YOU CAN GET FROM US

The indoor, cloth cat cubby houses were cleverly made with t-shirts, and are available for a \$20 donation.

The Outdoor Cat Shelters are insulated, and are very durable. You can get one for a \$50 donation.

The outdoor feeding station for cats is sturdily built and costs \$150. This feeding station was built to prevent wildlife from access the cat food.

A \$15 donation will get you one of these sturdy tote bags.
